RE: Permission to Display Equipment and to Possess Slot Machines
PRN 1071202

Permission of KGM Gaming LLC for a Transactional Waiver
PRN 1071203

Dear Ms. Kaufman:

The law firm of Cooper Levenson has filed a petition for permission to allow the display of gaming equipment at the Revel Hotel and Casino during the East Coast Gaming Congress ("ECGC"). Cooper Levenson is a co-sponsor of this event. In addition, KGM Gaming, an applicant for casino service industry enterprise licensure, is seeking permission to display two Ainsworth Game Technology ("Ainsworth") machines at the ECGC. For the reasons which follow, the Division of Gaming Enforcement ("Division") does not object to the relief requested by the petition.

N.J.A.C. 13:69E-1.22b(5) permits any party to possess slot machines if such possession is "necessary and appropriate to fulfill the goals and objectives" of the Casino Control Act. As one purpose of the ECGC is to permit casinos view new product offerings which could serve to enhance Atlantic City casino operations, permitting the display of slot machines at the ECGC would fulfill the goals and objectives of the Act.

The two gaming machines being displayed will use either non-value tokens or promotional credits. Actual gaming will not be conducted. In addition, the petitioner has represented that the machines will be accessible only to attendees of the ECGC who have the proper credentials. During those times when the exhibit hall is closed, the machines will be in a locked exhibition room. Special credentials will be required for anyone removing slot machines from the exhibit area.

The two slot machines which will be displayed by KGM Gaming are manufactured by Ainsworth. KGM is an applicant for casino service industry enterprise licensure pursuant to *N.J.S.A. 5:12-92(a)*. It is therefore required to have transactional waiver approval to display these games.

Under the circumstances presented, the Division hereby grants approval to Cooper Levenson for the display of slot machines at the ECGC subject to the representations set forth in its petition. The Division also grants transactional waiver approval pursuant to *N.J.S.A. 5:12-92(a)(2)* to KGM to display these machines.

Respectfully submitted,
